DESIGN STYLES

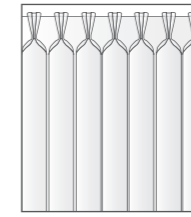

S-WAVE

Elegant and understated in their aesthetic, S-Waves are a favoured choice of architects and interior designers. Ideal for creating a relaxed and soft appearance around your windows, they add a luxurious layer that works with modern interiors.

REVERSE BOX

This decorative heading has pleats sewn in for a tailored finish. Classic in design, this style creates a tidy look and a sophisticated profile.

DOUBLE-PINCH

These classic curtains are effortlessly beautiful with a clean hang thanks to their signature waterfall pleat.

S-Wave,
Premium Track in Champagne

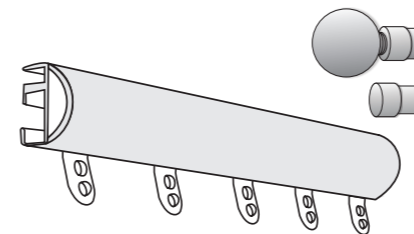

STANDARD

- A petite, slimline and discreet track
- Available in White, Black and Platinum.

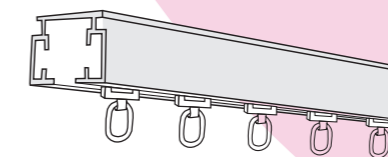

PREMIUM

- Versatile and strong, these tracks blend fashion and practicality into one modern solution.
- Available in White, Birch White, Black, Silver and Champagne.

CLASSIC ROD

- A stylish curved track design, this rod delivers a classic curtain aesthetic with effortless operation.
- Endcap options available are decorative ball or flat for extra charm.
- Available in White and Black.

WYNMOTION

- The Wymotion motorised track has the same slimline look as the Premium Track with added luxury at the touch of a button.
- The Wymotion hardwired motor is powerful but quiet, with industry-leading functionality.
- Available in White.

TRACK STYLE

Need a curved track? All four styles can be curved for bay or corner windows.

BLOCKOUT

- Reduce light and noise levels and add an air of elegance and luxury. Blockout curtains have long been a popular choice for bedrooms and formal dining areas.
- Use them to create the look and feel of a luxury hotel suite, or pair with a sheer curtain for the best of both worlds!

FABRIC OPACITY

CONTROL TYPE

HAND DRAWN

Simple in both operation and aesthetics, hand drawn curtains glide easily on our quality tracks providing you with a great cord-free solution.

MOTORISED WITH WYNMOTION

Luxury at the touch of a button, this option maximises the functionality of your new curtains, providing ultimate control by integrating with our Wynmotion app for smartphone flexibility.

WAND CONTROL

Ideal for floor-to-ceiling curtains, our cord-free wand control allows the curtains to glide effortlessly along the track for simplicity and style.

SHEER

- Sheer fabrics allow light to be diffused, while enabling you to enjoy the view. Designed to stop glare but allowing light in, they are the perfect choice when visibility is important.
- Popular in open plan living spaces, sheer curtains introduce depth by adding softness and texture into the most minimalist of designs.
